

Iva Kostadinova

Junior JavaScript Developer

An independent and motivated JavaScript Web Development student with practical experience and proficiency in technologies like React, Angular, Node.js, and MongoDB. Skilled in both client-side and server-side development. Seeking an opportunity to apply my knowledge and skills in a leading tech company.

EDUCATION

JavaScript Web Developer Software university

02/2023 - Present

Professional Modules

- **React.js Web Development** - Developing **Single Page Applications (SPAs)** with **ReactJS**, focusing on **JSX syntax**, component architecture, state management (**React Hooks**, **Context API**), **React Router** for navigation, **RESTful API** integration, and testing with **JEST**.
- **HTML & CSS Web Development** - Mastering **HTML5** for content structuring and **CSS3** for styling. Learning semantic HTML, CSS selectors, positioning, layout techniques, and the latest **HTML5** and **CSS3** updates.
- **JavaScript Applications Development** - Understanding **HTTP requests**, **REST Services**, **Backend as a Service (BaaS)**, and asynchronous code with **Promises** and **async/await**. Creating custom web components and setting up a **Webpack** environment.
- **Angular Web Development** - Building **SPAs** using **Angular** and **TypeScript**. Learning about components, directives, data binding, routing, **Observables** for reactive programming, **RESTful API** integration, and **Dependency Injection (DI)**.
- **JavaScript Backend Development** - Creating server-side applications with **Node.js** and **Express.js**. Working with **MongoDB** and **Mongoose** for data handling, and building a **REST API** from scratch.
- **JavaScript Advanced Development** - Deep dive into **JavaScript**: syntax, arrays, objects, functions, **event loop**, DOM manipulation, and advanced programming patterns like **OOP**, **inheritance**, and **prototype chain**.

Bachelor's Degree in Statistics and Econometrics University of Economics (Faculty of Informatics)

09/2015 - 08/2020

Varna, Bulgaria

WORK EXPERIENCE

Freight Forwarder Workplace/Company

01/2016 - 02/2023

International transport company

Achievements/Tasks
